Our roster is based on the child's birth date and enrollment. However, requests for a specific teacher or classroom will be considered but not guaranteed.

The tuition for the school year 2019-2020 has been increased to \$120 per month. We have enclosed the registration fee of \$30, the activity fee of \$10, plus the first month's tuition. We agree to pay the remaining tuition on the first of the month prior to the month that is due. For example, October's tuition is due September 1st, November's tuition is due October 1st and so on. Any student enrolled in LNS, who is absent from school for any reason, is still responsible for paying the entire month's tuition. If our child is withdrawn from LNS after April 1st, we agree to pay the tuition for April and May, unless our child's place can be filled. Also, any tuition paid after the 10th of the month will incur late fees.

The information that we have provided is accurate to the best of our knowledge.

Note: If the Federal or State Government raises the minimum wage during the 2019-20 school year, Lycoming Nursery School will need to re-visit our budget for the year. In order to meet these requirements, tuition may be increased. Please understand that plenty of notice will be given before changes take effect. Thank You.
